

# What's New in Second Grade

November 10, 2011

We are very happy to have Joyce Kerns, Emi's mom, on staff in the Family Life Academy office! Welcome to the team, Joyce!

## Singing

The school is singing in front of the church on Sunday, November 20. This is a way for us to bless the congregation that generously supports us, as well as a reminder that it would be nice if they would continue doing so. It is tremendously important that we have all of the students there, so please keep your eyes open for further information.

## Thanksgiving

Christ Community has a "Thanksgiving Eve" service at 7 p.m. that evening. I understand that it should be very family friendly, and there will be childcare for little ones. As members of our extended church family, you are, of course, all welcome.

## Festival of Carols

This year's Christmas production is December 9, 10 and 11. Several members of the FLA staff are involved, so you will see people you know on stage! Tickets are \$6 and are available in the church office.

## Snacks

We just love morning snacks. If you come across anything that you'd like to share with the class, we will accept very happily!

## Email Craziness

The church is upgrading the computers, which is great, but, in the process, the computers have been a little wacky. If you have sent anyone at church in the past week or so an email and not received a response, please send it again. We promise we are not ignoring you on purpose!
